

Hospitals and Institutions  
Chair report  
September 20th, 2008

I want to say thank you to Mike M. for chairing last month's business meeting. I was supporting the District 2 and District 10 H and I barbeque in Shoshone

I would like to hear how everyone is using the July Grapevine issue. I would like to be able to have some information to report to the full body Assembly. S, if you have been using the issue in your meetings please let me know today in the meeting or give me a call or send me an email before the end of the month. I feel that is a big step in

I meet with Sean to review what is going on with the H an I web site. It is in the test phase, so it is not on the actual web site yet. If anyone wants to see what it is going to look like you can go to:

<http://test.treasurevalleyaa.org>

We will talk more about the web site later.

The PRASSA registration form is STILL here, so we will get the registration done today and get it sent out this week I hope that we all still can go. I am really excited about this. I have been telling the Area officers about what we are doing and they can't wait to see us in Oakland and enjoy the Assembly together.

I would like to the committee consider *Living Sober* as another one of our tools that we begin to use. I think that this is one book that we should consider trying to use. Can we kick around the ideas of at least getting this book in the hands of facilitators to use as a meeting topic. Or does anyone have any ideas? I know that a lot of people don't even know about this book. Maybe we can review the book at our business meeting.

Remember, Keep it Simple
