

## **2011 H&I BBQ report**

We rent the entire park for the day. This assures that we will not be competing with others for parking. The reason we have it at Veterans Park is because this is where it has always been and for consistency. After looking at a couple of other parks people mentioned, (Settlers and Municipal) those may pose parking challenges. A lot of people use those parks for different purposes other than just for picnics.

### **What went well**

We sold over 550 tickets

Presales of tickets went very well. Sold 289

2 – table top BBQ's, rather than the one big one we had originally ordered.

Food line was short

Glad we rented a generator. Power is always an issue at gatherings like this

Glad we had trough type containers to put stuff in rather than coolers

Weather was perfect

The people serving the food were AWESOME!

Raffles & Auction

Kids carnival (Once the bounce house got set up)

### **What went not so well**

Tickets were printed with 18 & under eat free, this should have been 12 and under

Did not consider the non-meat eaters

Bought too much food

Needed more people serving food (those that did volunteer did an awesome job but they hardly got a break all day)

Did not have a way to get everyone's attention to make announcements. Need an air horn

Had 100.00 drawing to early

Bought too much soda and water. (bought 19 cases of soda & 16 cases of water)

Location of the BTG table. It was in the back corner. Might want it by the hospitality area?
