H and I West Chair Report

Hello everyone,

Last weekend was the spring assembly in Idaho Falls. There was some business that affects this committee. Since we share a tax number with area, we are, now, required to bank at the same bank as area. We will need to switch our account from Wells Fargo to U.S. Bank. This should make the end of year taxes a little bit easier.

There was an H and I round table Friday night. There was lots of good discussion. The biggest issue that came up is working with CPC/PI. Many people discussed problems with facilities and hospitals in their area. These places do not know what AA does or doesn't do. I was also reminded of our purpose through all of this service work. Our goal is not to get everyone sober, but instead our goal is to make sure we are carrying the real AA message. We need to make sure whoever wants the help of AA is getting it. It is God's job to do the rest.

The last bit of news is that our Secretary, Lisa P., is stepping down. We appreciate all she has done for H and I and wish her best of luck. Since we have so much business to discuss, I will keep it short.

Love and Service,

Mike T.
