## H&I Area 18 Literature Report

February's book requests totaled \$1,209.10. Currently, we have \$7,203.60 worth of literature in stock. Our year-to-date total for literature distributed is \$2,664.36.

My records show that we have 23 more English 12x12s left, however, I can't find any more in stock. Therefore, as far as I know right now, we are out of English 12x12s. A new order will be placed next month.
